### He Used Beer Bottles.

Harvey Childress, a young white man, appeared in the Police Court yesterday morning before Mayor Maurice, charged with assaulting Messrs. W. Caudle and Hugh Turner with beer bottles on Saturday. It appeared from the evidence that Childress, with several companions, became intoxicated on the night in question, and started up Hull Street with the apparent intention of cleaning up everything before him. Caudle was the first man to stop his progress, and Childress struck him over the head with a bottle. After some more alleged disturbance of this kind, Childress was arrested by Sergeant Wright, and Mayor Maurice yesterday morning sent him on to the grand jury.

### MOTHER LOOKING FOR HER LONG-LOST SON

Mrs. Stewart Hears That Her Boy, Missing a Year, Is in Hospital in Lynchburg.

Mrs. M. E. Stewart, of 1416 East Broad Street, was at Chief Werner's office last night, making inquiries for her son, Edward, who ran away from home a year ago last month, and has not been seen since.

Through a neighbor, Mrs. Stewart got an uncertain report that the boy was in a Lynchburg hospital, called the Home Retreat, with typhoid fever. She had the Chief send inquiries several days ago, but as yet there has been no reply. Mrs. Stewart heard that her son had been hit by a car in Lynchburg, and that he had gone up to a policeman, saying that he had come from Cincinnati, was sick and wanted medical attention.

The boy left his home when his mother was living in Nelson county, leaving there with a companion after several unsuccessful attempts to run away. He was fifteen years old at that time, has light hair and light brown eyes. A characteristic trait about him is that he always walks with his hands clasped behind his back. Mrs. Stewart says she has written to almost every postoffice in the State to learn of his whereabouts, but with no success.

## WEPT BITTERLY DURING SPEECH

Mrs. Hartje Gave Way to Feelings While Case Was Being Argued.

### HUSBAND IS ALSO AFFECTED

Conclusion May Be Reached To-day—Decision Next Fall.

(By Associated Press.)

PITTSBURG, Pa., August 6.—The beginning of the end of the Hartje divorce case was begun to-day when the argument of the case was taken up by Judge Frazier. Mr. and Mrs. Augustus Hartje endured the final ordeal when the lawyers made arguments, both libellant and respondent getting a scoring, the conclusion for to-day being a rapid-fire speech by John Marron for the libellant. Reference to the children to the couple seemed to move Mr. Hartje and his wife very much. During Mr. Marron's argument Mrs. Hartje at times grew ghastly pale at Mr. Marron's assertions. Mr. Hartje was greatly affected by the statement of Mr. Marron that he had not kissed his children for one year. Mr. Ferguson made a short speech, but will conclude to-morrow, after Mr. Freeman argues for the respondent.

### Mrs. Hartje Wept.

Attorney W. B. Rodgers made the first address for Mr. Hartje. He made a sharp attack upon the character of Mrs. Hartje. He spoke for a little more than an hour. He referred, first, to the separation of Mr. and Mrs. Hartje, saying that the real reason for her desertion was to be found in the love-letters alleged to have been written by her to the coachman, Tom Madeline.

Mrs. Hartje, overpowered by the words of excitement, gave way to her feelings as her attorney, Marcus W. Acherson, was making his plea. Attorney Acherson inclined to the pathetic side of the case in his argument, and Mrs. Hartje wept silently. It was the most moving display of emotion she has given since the trial began. During her scathing arraignment by Attorney William B. Rodgers, who opened the argument for Hartje, she maintained her composure, except to express by her looks her disgust at what was being said.

It is said the arguments will be completed to-morrow or Wednesday. Judge Frazier will leave the city to-morrow and the court's decision is not expected until fall.

### Arrests Expected.

It was announced to-day that five persons, who are said to have been in attendance at the Hartje divorce trial will be arrested when a decree has been made in the case by Judge Frazier. Charges of conspiracy in connection with the Hotel Lincoln episode which were dropped by the attorneys for the plaintiff, it is said, will be brought against these persons in behalf of Mrs. Hartje, whose character was attacked in the allegation made in the bill of particulars.

The names of the parties are being guarded closely.

After doing other business of a routine nature, the board adjourned.

DARBY, Pa., August 6.—Covered with dust, but happy as a school boy, George Washington Brown, an aged colored man, who is taking a little jaunt of over 500 miles afoot from Charleston, S. C., to New York, passed through Darby yesterday. Although the thermometer registered in the thirties he wore an overcoat, a straw hat and heavy cowhide boots. He stated that he had left Charleston two weeks ago, and that he expected to reach New York in a few days. When asked about his overcoat, he said that he would have used it next winter and that he did not want to throw it away.

### Man of Many Aliases.

Percy Perry, the negro, who was arrested in Fredericksburg by Sheriff Crowder several days ago, on a warrant charging him with stealing several valuable dogs, will appear before Judge Lewis at 11 o'clock to-day to answer the charge against him.

Constable Crowder says that he never knew a man with so many aliases, that every town he visited he left a different name, and all of them more or less sentimental, such as the name of Jewels, precious metals and the like.
